TWO STANDARDS OF PUBLIC MORALS.

The DEMOCRAT publishes an article today, contributed by Judge C. R. Grant, which all our friends will find very interesting reading. It was submitted for publication early Monday morning, but the DEMOCRAT regrets that it was unable to put the same in type in time for

yesterday's issue. Judge Grant's ability at detecting political hypecrisy in all its varied

his fearless manner of unmasking those who practice organized deception of the people, even though they be found in the high places of the nation, has won for him more than local distinction.

The Administration's gross hypocrisy in pretending to be outraged at the mere suggestion of polygamy and slavery at home, but which, in addition to paying \$10,000 tribute in "debased currency" to the Sultan of Sulu, ruler over an American colony, permits the Sultan and his people to continue undisturbed in the "peculiar institutions" of their country liar institutions" of their country, polygamy and slavery, is a subject for historical comparison and moral speculation to which Judge Grant

has done full justice.

The adaptability of the Administration to the exigencies forced upon it by the Philippine grisis is remark. By Mail \$2.50 - - - \$1.25 for Six Months it by the Philippine crisis, is remarkit by the Philippine crisis, is remarkable. Already it has set two standards of money over the mother country and the colonies; it has established two standards of citizenship, and now it wants to introduce wo standards of public morals.

While the Administration is levying burdensome taxes on the intelligent people at home, and governing them by a rule of conduct as unyielding as the Levitical laws, it has backsheesh" and indulgence for the indolent Sulu islanders.

This is imperialism. This is piling on the white man's burden with a vengeance. How do you like it?

Summit Lake Park. Summit Lake Park theater was

crowded last evening to witness the first performance of the week. Al-though following one of the strongest shows of the season, the perform-ers certainly did themselves credit last evening and the audience was royally entertained. Honors were evenly divided. However Allen and West may deserve the most credit not only as laugh-producers, but as musicians, their act being full of fun from start to finish. The Martiere sisters who made their first appearance last evening before an Akron audience, also made a very favorable impression. Their singing and danc-

ing is of the highest order. Last but not least are last season's favorites.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the putient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.
